Other language(s):

Catalan

LISTENING B2 **READING** B1 **WRITING** A2

SPOKEN PRODUCTION B1 **SPOKEN INTERACTION** B1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SOFT SKILLS

Skills

I am a highly adaptable and flexible professional with strong time management skills and a results-driven mindset. My analytical thinking allows me to assess situations effectively, identify opportunities for improvement, and implement efficient solutions. I bring a high level of emotional intelligence and empathy to my work, enabling me to build positive relationships and collaborate successfully within diverse teams. Through effective communication and strong teamwork, I contribute to productive work environments while maintaining efficiency and a focus on achieving organizational goals.

TECHNICAL SKILLS

Skills

I am a student specializing in Microcomputer Systems and Networks with hands-on experience in PC assembly and disassembly, hardware diagnostics, and component replacement, including RAM, SSDs, HDDs, PSUs, and motherboards. I am developing skills in Windows (10/11 and Windows Server) and Linux installation and administration, as well as LAN/WAN configuration and basic network setup. I have practical experience with virtualization tools such as VirtualBox and VMware, software installation and configuration, and foundational programming knowledge in C++ and HTML. I am eager to apply my technical skills and continue learning in real-world environments, contributing to efficient and reliable IT solutions.
